

August, 2021

To our Bayside family, friends and community:

On Sunday, August 1<sup>st</sup>, I had the pleasure to announce that we have received our Transformation Life Center (TLC) Use and Occupancy (U&O) permit from Calvert County. This permit will allow us the opportunity to finally move in and use the Transformation Life Center for the ministries that the Lord has called us to serve Him with. This is certainly a time to celebrate all that the Lord is doing through His church at Bayside. To God be the Glory!

On Sunday, August 29, 2021 we will have **CELEBRATION SUNDAY** at Bayside. Please save the date as we invite you to come and celebrate the grand opening of the TLC with a time of worship, prayer and building dedication. The service will be outdoors (weather permitting) and will **begin at 10:00 AM**. Please note there will only be one service this day. Later that afternoon, we invite you to continue the celebration with us as we have our annual church picnic and game night at Dunkirk Park starting at 5:00 PM

As we move forward in fulfilling the Great Commission and the Acts 1:8 Challenge, we thank the Lord for His provision and look for His guidance in all things. The opening of the TLC will allow us the opportunity to reinstate some of the ministries that were temporarily suspended due to construction and then the COVID pandemic that affected us all last year. While we have many ministry opportunities ahead of us, the first priority is always worship and bible study.

As the TLC is opened, we are also pleased to announce that we have a new Sunday and Wednesday church schedule that, Lord willing, will go in effect on **Sunday, September 5, 2021**. You will find a copy of the schedule attached. During the last several months, I have prayerfully evaluated several schedule models. And while we understand that there is no perfect schedule that meets every need, the elders, staff and myself feel that this would be the best model to go with at this time.

Please review this information and make bible study and worship a priority for you and your family. One of the first things you will notice is that we are temporarily going back to ONE Worship Service on Sundays at 10:45 AM. For our early service attendees, we hope to bring the early service back in the near future whenever needed. Please see the note information on the new schedule. For now, this will allow us time to come back together, expand the leadership and serving base (Acts 1-6) and to continue to “move forward” in the name of Jesus Christ.

Please notice that there are plenty of opportunities to **CONNECT - SERVE – GROW and GO** here at Bayside. I ask that you prayerfully consider where the Lord is calling you to serve. We are all called to serve and to help further the Kingdom of Christ here on earth. If you have any questions and/or comments about this exciting but new information, please do not hesitate to let me know! I love you all dearly and thank you for your love for Jesus and for your dedication to HIS church here at Bayside.

**Hebrews 10:24-25**

In Christ
